2.3.1 A Joint Venture intended to submit a bid must comply with the following requirements:-

a) Following are minimum qualification requirements:-

i) The lead partner shall meet not less than 50 percent of all qualifying criteria given in paras 2.2.3 to 2.2.7 heretofore.

ii) The joint venture must collectively satisfy the criteria of paras 2.2.3 to 2.2.7 for which purpose the relevant figures for each of the partners shall be added together to arrive at the JV's total capacity. Individual members must satisfy each of the requirements of paras 2.2.5. The Experience of contractor as sublet will be considered in case main contractor has not applied for pre-qualification.

b) Any change in a JV after qualification in Technical proposal, shall be subject to written approval of employer prior to deadline for submission of bids. Such approval may be denied if:-

(i) Partner (s) withdraw from a JV and remaining partners do not meet the qualifying requirements.

(ii) The new partners to a JV are not qualified individually or as another JV.

(iii) In the opinion of employer, a substantial reduction in competition would result.

c) Bid shall be signed by all members in the JV so as to legally bind all partners, jointly and severally, and bid shall be submitted with a copy of the JV agreement providing the joint and several liabilities with respect to the contract.

2.3.2 The Technical qualification of a JV does not qualify any of its partners individually or as a partner in any other JV or association.

2.3.3 Each member of a JV shall be jointly and severally liable for all information submitted and for the performances of any all obligations of the respective/relevant JV.

2.4 Conflict of Interest

2.4.1 The Applicant (including all members of a JV) must not be associated, not have been associated in the past, with the consultant or any other entity that has prepared the design, specifications, and Technical Evaluation and bidding documents for the project, **or was proposed as Engineer for the contract, over the last five years.** Any such association could result in disqualification of the applicant.

2.5 Updating Prequalification Information

2.5.1 Bidders shall be required to update the financial, personnel and equipment information used for prequalification at the time of submitting their bids, to confirm their continued compliance with the prequalification criteria and verification of the information provided at the time of prequalification. A bid shall be rejected if the Applicant's qualification thresholds are no longer met at the time of bidding.

2.6 Other Factors

2.6.1 Only firms and JVs that have been qualified in Technical Evaluation would be considered for opening of their financial bid. A firm can only participate in the bidding process either as a single entity individual or as a JV but not both. If a firm submits more than one bid, singly or as a member of a JV, all bids of such firm (singly and as member of a JV) shall be rejected.

2.6.2 The Employer reserves the right to:-

- a) Amend the scope and value of any contract(s) to be bid, in which event the bidder(s) will only bid among those Technically qualified bidders who meet the requirements of the contract(s) as amended.
- b) Cancel the Tendering process and reject all applications.
- c) The Employer shall neither be liable for any such actions nor be under any obligation to inform the Applicant of the grounds for rejection, however, maybe debriefed if solicited.
- d) The employer shall inform the applicants who have not been qualified.
- e) The Employer may divide the whole work into various packages/groups.
- f) The Employer reserves the right to put a limit on the number of packages to be awarded to a single firm/JV.

2.6.3 All applications are being submitted at the risk and cost of the Applicants and the Employer shall not, under any circumstances, be liable for any such acts in case of an unsuccessful application or in case the Employer exercise any of its powers under para 2.6.2.
