2.4.1 Joint Venture must comply with the following requirements:-

- a) Following are minimum qualification requirements:-
 - i) The lead partner shall meet not less than 65 percent (%) of all qualifying criteria given in section 2.3.1 and 2.3.4 heretofore.
 - iii) The joint venture must collectively satisfy the criteria of paras, 2.3.2 and 2.3.3, for which purpose the relevant figures for each of the partners shall be added together to arrive at the JV's total capacity.
- b) Any change in a pre-qualified JV after pre-qualification, shall be subjected to the written approval of the Employer prior to the deadline for submission of bids. Such approval may be denied if:-
 - i) Partner(s) withdraw from a JV and remaining partners do not meet the qualifying requirements;
 - ii) The new partners to a JV are not qualified individually or as another JV; or
 - iii) In the opinion of the Employer, a substantial reduction in competition would result.
- c) Bid shall be signed by all members in the JV so as to legally bind all partners, jointly and severally, and any bid shall be submitted with a copy of the JV agreement providing the joint and several liability with respect to the contract.

2.4.2 The pre-qualification of a JV does not necessarily prequalify any of its partners individually or as a partner in any other JV or association. In case of dissolution of a JV, each one of the constituent firms may prequalify if they meet all the prequalification requirements and any partner of J.V has requested/shall request for the same and then his prequalification shall be subject to the written approval of the Employer.

2.5 Conflict of Interest

2.5.1 The *Applicant* (including all members of a JV) must not be associated, nor have been associated in the past, with the consultant or any other entity that has prepared

the design, specifications, and other prequalification and bidding documents for the project, or was proposed as Engineer for the contract, over the last five years. Any such association may result in disqualification of the Applicant.

2.6 Updating pre-qualification information

2.6.1 Applicant shall be required to update the financial, personnel and equipment information used for prequalification at the time of submitting their bids, to confirm their continued compliance with the qualification criteria and verification of the information provided at the time of pre-qualification. A bid shall be rejected if the *Applicant's* qualification thresholds are no longer met at the time of bidding.

2.7 Other Factors

2.7.1 Only firms and JVs that have been pre-qualified under this procedure shall be invited to bid. A qualified firm or a member of a qualified JV may participate only in one bid for the contract. If a firm submits more than one bid, singly or as a JV, all bids including that bidder will be rejected. This rule will not apply in respect of bids which include specialist sub-contractors who are used by more than one bidder.

2.7.2 The Employer reserves the right to:-

- a) Amend the scope and value of any contract(s) to be bid, in which event the bidder(s) will only bid among those prequalified bidders who meet the requirements of the contract(s) as amended. However the Employer has to review the disqualified bids who originally do not meet the specified criteria for Pre-qualification.
- b) Reject or accept any application; and
- c) Cancel the prequalification process and reject all applications.

The Employer shall neither be liable for any such actions nor be under any obligation to inform the Applicant of the grounds for rejection, however, may be debriefed if solicited.

2.7.3 Applicants will be informed in writing by fax or mail within 30 Days of the date for submission of applications of the result of their applications and may be debriefed if solicited.

2.8 Pre-Qualification Evaluation

Applicants meeting the minimum requirements mentioned in Section 2.3 besides other factors shall be considered for pre-qualification.
