Opening of Sealed financial bids for REAL-TIME PCR SYSTEM, Microinjection System, Laser-Based Micropipette Puller, Microelectrode Beveler & Micropipettes Set.

The financial bids were opened in the presence of the representative of the participated firms, who also mark their attendance. Amount of the CDR deposited by the firms with respect to their quoted rates were checked and found correct. Rates of Micro Injection System and other parts quoted by **M/S Pakistan Hospital & Industrial Lab Company** were very high, not realistic according to HEC approved budget. Therefore, the Departmental Purchase Committee unanimously decided to not to purchased these items. However, quoted rates of **M/S Chemicals House** for item No.1 the Real Time PCR System found lowest and according to required specifications Therefore, the departmental purchase committee decided to issue the purchase order to **M/S Chemicals House** for Real Time PCR only.

Further, the DPC unanimously decided to retender the item Microinjection System with other parts and Micropipette set after obtaining necessary approval from the Vice Chancellor.
